

CELEBRATING THE LIFE AND LOVE OF
Beverly Elaine Burcham

May 24, 1947 - July 20, 2025

Beverly Burcham embodied grace and genuine selflessness, always putting the needs of others before her own. She was a refined and gracious woman, whose steadfast devotion to her family was marked by profound kindness and love. She was determined, competitive, adventurous, resourceful and courageous. Guided by a deep and unwavering faith, she carried herself with elegance, intelligence, and dignity. With quiet strength and conviction, Beverly faced every challenge head-on. Her warm and loving nature instantly put those around her at ease.

Beverly's journey in this life began on May 24, 1947, the only child born to Clifford and Eleanor Groger. Beverly attended Burlington Elementary School through the 8th grade. She made friends easily. When she wasn't at piano lessons or gliding down the smooth sidewalks of Burlington, Kentucky on roller skates, she cherished the times her mother drove her to Cincinnati to watch the live shows. Beverly earned her diploma from Boone County High School in 1965, and it was during those memorable years that she met Larry Burcham, her future husband. He was taken back with her stunning beauty and Beverly won over his heart. Soon after her graduation, they began their life together, marrying on July 10, 1965.

Beverly held several office positions before working for Tri-County Salvage Pool in Ohio where Larry auctioned salvaged cars. She then began working at RB Taylor & Sons which

later became KOI Precast where she continued to make a difference for over 37 years of impeccable service. She had a natural ability to pick things up quickly, and everyone who met her was instantly drawn to her warm and magnetic personality. Hardly one to sit still, she filled every moment with intention, driven by a work ethic that was both tireless and inspiring.

Community was a big part of Beverly's life and whether she was volunteering or serving as a board member, she gave back tirelessly. Beverly and Larry were thrilled to become parents to their daughters, Bridget and Brooke. She was a devoted mother attending all the girls' activities. Family was the heart of her world, and she showed her love best by bringing everyone together around her table, where laughter, food, and memories were always in abundance. Sunday dinners after church became a cherished family tradition—her favorite way to start the week, surrounded by those she loved most.

Everyone looked forward to her infamous Cheese Potatoes and her Bubble Cake! Christmas dinner was a treasured tradition, bringing the entire family together to share in the special celebration lovingly prepared by Beverly. She loved to prepare many recipes handed down by Grandma Kinman, Grandma Burcham and the Cason Aunts. She especially enjoyed hosting holiday gatherings including extended family and cousins.

Beverly played an essential role in the success of the family auction business. She and Larry were a dynamic duo, working together with a shared purpose. She kept her days joyfully packed with serving as a longtime member of Burlington Baptist Church, where she volunteered with the flower committee, Sunday school, and church events. She was a proud member and often officer of the Boone County Garden Club, Chairwoman for the Kentucky Association of Fairs and Horse

Shows Beauty Pageant, Treasurer of The Bean Bash, and actively involved with the Boone County Fair. Beverly was known for bringing meals or desserts to friends, always making a point to celebrate their birthdays and special occasions.

Beverly absolutely loved to work outside in her yard. She cut several acres of grass weekly and growing flowers brought her a tremendous sense of joy. She enjoyed every moment spent with Judy, her cousin and loyal companion. Beverly was a devoted daughter, lovingly caring for her mother until she reached the age of 93. She had a knack for making everyone around her feel at home. Beverly always dressed with elegance and impeccable style. Competitive by nature, Beverly loved a good game night with family or friends. She loved old movies, Hallmark movies, Survivor, the occasional soap opera and every episode of Jeopardy.

Beverly and Larry stepped into grandparenthood with love and excitement. Jordan, Logan, Colton, Collin, and Courtney truly brightened their days. Beverly eagerly cheered them on at every game and was known to travel across the country just to be their biggest fan on the sidelines.

Beverly was the beloved grandmother figure, affectionately known as “Mimi” even by her grandchildren’s friends. Their family blossomed even further with the precious arrival of their great-grandchildren—Brinkley, Elliott, Colby, and Miles—bringing endless joy and love into their lives. She loved watching the grands and great grands anytime. Beverly had a beautiful way of making everyone feel like family. Her deep love and devotion to those she held dear will live on as a cherished legacy, woven into the hearts of generations to come.

During the last few weeks of her life, she was blessed to have many visitors and loyal caregivers, especially her cousin Judy Kinman Andrew and long-time friend, Diane Seekford. They lovingly spent time with her even through her hospice journey. Beverly passed away into the hands of God on Sunday, July 20, 2025, with her family by her side, to be greeted by those who had gone before her. She will be deeply missed, but her light will continue to shine through the lives of her family and all those she touched along the way.
